- Head massage
- Hand care
- Nail art application
- Skin care
- Shampoo and conditioning
- Make-up application
- Themed face painting
- Plaiting and twisting

## **Our Hair & Beauty Courses With Advanced Learner Loans**

We also offer Hair and Beauty courses to adults already working or partly qualified in hair & beauty looking to up-skill their qualifications within the industry. These are different from Apprenticeships (paid employment and free training) and Study Programmes (free training with means-tested bursary). They can also be fast tracked but they are essentially paid-for options. However, **Student Finance England** can assist. It works the same way as University loans for tuition fees. Learners will not pay back Student Finance Loans until they are earning over a specific threshold.

You can apply for an Advanced Learner Loan to help with the cost of a course at a college or training provider in England

Loan eligibility does not depend on your income and there is no credit check.

Check if you're eligible before applying for an Advanced Learner Loan and find more information here:

**<https://www.gov.uk/advanced-learner-loan>**

## **Level 3 Diploma Focus Awards for Combined Beauty Therapy Skills**

The Focus Awards Level 3 Diploma in Combined Beauty Therapy Skills (RQF) is a combination of both Level 2 and Level 3 qualifications in the beauty therapy industry. The qualification is aimed at those learners who wish to gain knowledge and skills relating to beauty therapy at Level 3 without existing prior knowledge.

The Level 3 Diploma in Combined Beauty Therapy Skills (RQF) is aimed to develop learners' knowledge and skills, and confirm their competence, as beauty therapists. Learners will expand their scope of technical skills for employment as a beauty therapist, whilst learning how to plan, prepare, and deliver Level 3 beauty treatments safely and correctly, in accordance with health and safety regulations and legislation.
